Dates For Your Diary

June

July

Sports Day: Weds 15th

Leavers Assembly: Tues 21st 2pm

Last Day Of Term: Weds 22nd

The children have done an amazing job this week, considering the heat! Thank you for supporting with drinks and suncream and keeping the children going.

Discovering Dartmoor

This week the children have been finishing off their artwork and evaluating how they did. The children have also been using their science skills to look at how creatures and plants on Dartmoor have adapted to survive the prevailing conditions successfully.

Next week we will be moving onto music and exploring the sounds of Dartmoor to create a piece of music. The children will be learning how to use graphic scores as well as musical notation.

Morning Drop Off

If you accompany your child to school in the mornings, please can we ask that all children are dropped off at the gates unless there is an individual plan and adult check in is in place. Some children have started to ask their parent to walk them into school, but this is tricky from a safeguarding point of view. Please be reassured that we have settling tasks for children to support the transition and adults on the gate to meet and greet. If any parent has an individual concern about this, please do speak to your child's class teacher.

Homework

Spelling Activity

Handwriting

Fluency

All are set weekly on a Monday, to be completed by the following Monday.

AR and Times tables

Don't forget to keep practising your times tables with TTRS or Top Marks Maths at home. Please also encourage your child to read at home to work towards a new target for this half term.
